Rob,

I am sending you the usernames and passcodes for Lisa Barbounis's social media accounts. Also, I am writing to the Court today because I want to argue for a more limited production of information. I know you can't change anything unless you hear it directly from the Court. For that reason, can you please give me an ETA for when you think information will be available to the parties? I want to let the Court know what the time-frame looks like.
